2023/2024 Season Statistics

President's Report

I'll kick things off by congratulating our Under 16 undefeated premiership side, who also went back-to-back after winning the Under 15s last season. It's great to see this level of talent coming through our club, laying the foundation for many strong years ahead. Fantastic stuff. Special call out to Jeremy Holmes who has passionately coached this group of cricketers for 4 years, to have the 2 premierships as a reward for your efforts and dedication is very special, well done and thanks mate.

After a few great years of on-field success, unfortunately that was our only taste of finals action for the club, something we'll bounce back from next year, when things get back to usual for our club.

Off the field, it was one of the saddest and most challenging years I can recall in many years as a club. We lost two great servants of our club this year, life members and absolute legends who cannot be replaced.

The shock loss of our long term past President and games record holder Darren Graetz early in the year knocked many of us for six, words will never sum up how big a hole Darren's loss leaves at our club and in the community, we'll just need to get on with it like Darren would want us to do and do him proud on and off the field for the years ahead.

The loss of Ray Giersch, "the Golden Chop" at the end of the year also leaves a significant hole not only at our club but also in the community. What a great long and well lived, happy life full of giving.

Thanks for everything over many years' Darren and Ray.

After many years of planning, it was crunch-time at Tanunda Rec Park as the puzzle pieces all came together with our new home. We enjoyed the new nets and the Rookies at the new junior oval. Having four quality nets certainly changes the game in terms of many sides being able to train at the same time.

The new clubrooms and changerooms are now finished and look fabulous. It was great to host the first official event in February, with the National Over 65s championship drinks and dinner being held at our new pride and joy. Both nights were outstanding successes and the feedback terrific, I'm sure this will be a great money spinner for our club going forward.

I'm very proud of the way we came together as a club to build our new home, the Darren Graetz Pavilion. Thanks to the many volunteers who put many hours over many days into all the jobs that were needed to turn a shed into what we have today. To the Pavilion sponsors who came on board this year, a huge thanks. There is no way we could have achieved the result that we did without your support. A special call out to Stuart Ratsch and Wade Dahlitz who were always available to help with the next step in the process and to work through planning all the little final touches, bloody outstanding lads, thanks.

It's an absolute honour to have our new cricketing experience recognised as the best in community cricket. The SACA Cricket Facility of the year makes a couple of challenging years of having no "TCC Shed", no nets, no storage, and this year no oval well worth it. We can launch into next year and the years beyond knowing we've now got what others envy, a cricketing destination club.

As a result of the final big puzzle piece, the full oval redevelopment, the A1s had to put up with being the away team, travelling each week. I thank you for getting on with it, but absolutely appreciate the toll it took on your season. Playing home games on the new Tanunda Oval will make this season a distant memory quickly. Cheers lads.

Many thanks to our hardworking captains, Coby, Wade and Bevan (and the others that captained games along the way) – thanks for your help throughout the year. Special mention to Coby who also captained the Outbacks team once again. Looking forward to seeing you captain South Australia on your home deck next year when we host the National Country Cricket Championships in January 2025.

The Tanunda Clubhouse continued as our Major Sponsor this season, with Tundarri Sales & Service becoming a Gold Sponsor of the club. We were also privileged to have Amanti Pizza & Pasta, Barossa Valley Brewing, Concrete Busters, Leisure Pools, Rusden Wines, and Yourtech Services as our Silver Sponsors. As a club we were also fortunate to have CSJ Electrical, Barossa Custom Engineering, Goers Ceilings, Mia Pizza, ProCrete and Seabrook Wines sponsoring our junior teams. We couldn't play the game we love without your support.

As I mentioned before, our new home would not have been possible without the generosity of not only the sponsors mentioned above, but also by our new Pavilion Sponsors in d'Or to Door, Homburg, PKB Building Services, Scott Duff Plumbing, Solomons Barossa Valley, Valley Solar, and Yield Business Advisory.

A few special mentions re notes of appreciation, thanks:

- To Stuart Ratsch and Sam Cox - as per always another massive hand played by you behind the scenes helping make the Tanunda Cricket Club run.
- To James Heuzenroeder for once again doing a terrific job of ensuring the finances at the club run smoothly.
- Years like this year need a hardworking committee. I would like to thank Alison MacCarthy, Adam Clay, Bevan Laidlaw and Daniel Kroehn for your support and willingness to roll up your sleeves. Thanks also to Oscar Dahlitz and Andrew McRae who were regulars when help was needed.
- To Dan Kroehn, Christian Canute, Carl Samain, Jeremy Holmes and Oscar Dahlitz for coaching our junior teams and for Elle McArdle, Bevan Laidlaw and Sue Schulz for doing a fantastic job supporting them in Team Manager roles.
- To those that helped out at the Over 65 National Carnival events, huge thanks – it was important we nailed those events, and we certainly did that. I would highly recommend Andrew McRae window cleaning services to anyone 😊.

Last, but not least, once thanks yet again to my family. This season really was something else, I appreciate your patience and what you've had to do to cover for me in general life as I spent far too much time at the Tanunda Rec Park once again this season.

Sponsors

The committee, the players and supporters of the Tanunda Cricket Club would like to thank their most generous sponsors, who in the last few years have assisted in building the club to where we are today.

Without their support, such things as the turf wicket, the bowling machine, new cricket equipment, sightscreens and shirts would not have been possible.

A1 Captain's Report

It was an eventful season in the A1's, it was always going to be a tough ask to play away from home all year. Numbers were an issue for most of the season, but it gave some guys a good opportunity to have a taste of A1's cricket, which will benefit the club in years to come.

The season didn't start out too badly at all, winning 4 out of the first 5 games we were sitting quite close to the top of the table. Not winning another game after such a strong start was a bit tough but should make us hungrier for another look at finals next season.

A couple stand out performances for the season include a big first round from Trent, scoring 50 with the bat and then coming out and bowling 21 overs, taking 5-28. Gattsy keeping us in the hunt in round 8 against Mallala with 4-24 off 7 overs. Chen with 4-33 off 10 overs to keep Sandy Creek to 147 in round 10, along with a good 36 in the final round to get us in a good position against Angaston.

I'd like to say a big thank you to Swanny, Ratschy, Chop and the rest of the committee for all their hard work organising and coordinating. Also, a big thank you to everyone who put their hand up to play whether it was one game or the whole season.

We didn't have the greatest success this season but with all the buzz around the club I'm very excited to go around and give it a shake next season.

A3 Captain's Report

A different year for the A3 this season.

As a club, we decided to move from the 4's up to A3's for the purpose of exposing the younger lads to 2-day cricket. Giving the lads plenty of exposure to time in the middle, and plenty of overs to develop. We were out to win, but certainly not expecting great things in the way of finals.

There were certainly some highlights in numerous games with the way our opening bowlers set the scene for the game, with some consistent tight bowling which gave us a good chance to chase down a smaller total. Our opening batters in Phil and Adam also gave us some great starts and plenty of runs throughout the season.

On the other hand, we let ourselves down as a team all too often with batting collapses, and loose overs which cost us games.

We were certainly in the mix with most teams and had our chances to win and not too far off the mark to be a good chance in the finals. It was difficult to field a consistent team and really find a groove to play out the season with a good portion of our players finding themselves in the A1's.

I would just like to commend the lads on the way they carried themselves, with some tough long days in the field getting smashed by much better opposition, we held our heads high and wore the Tanunda values proudly.

Next season should be exciting with another year of maturity and patience, a brand-new oval and hopefully a good showing back in the finals race.

Thanks to all involved, and can't wait to have another crack in 24/25

Cheers Wade

A5 Captain's Report

The season did not go as planned with player unavailability and players having to play in higher grades all year, once we got to somewhere near full strength, we started to get results. The season started off against a strong Nuri side at Faith West with Hamish Martin with 35 and Christen Canute the only 2 to really give the scorers something to do we got rolled for 90 odd and Nuri chased it down 1 down of 11 overs.

That was the story for the next few rounds with some starts from the old men Swanny and Andrew and young bucks Nixon, Paddy and Myself, which lead us into a game against a very strong Kapunda side with weather playing ball in Adelaide, the jets got called off and we were happy enough to pick up some very handy bowlers in Benny Henry and Will. We won the toss and batted first hoping to give them enough runs to bowl at which I thought we didn't but anyhow they charged in and got 7 wickets between the 3 of them and left Paddy and Judy's snake balls to claim the remainder and rolled them for 100.

That lead us into the Xmas break knowing we had no chance of finals so just go out there and have a crack. We played Tanunda North at their track and rolled them for 136. It was the Laidlaw Bignell show with Ryan picking up 4 and Ollie in his first senior game bowling 6 overs in stinking heat and getting 2 for 10. Unfortunately for us it was our batting again that let us down, bowled out for 46.

So, then we thought stuff it this lets just try and knock other teams out of semi contention, so we did - first up Souths and with the opening duo of Canute and Greenwood back for a cameo and getting us off to a decent start, we ended their season. Then Angaston thanks to an 80-run unbeaten partnership between 2 old heads Bevo and Christian and some tidy bowling from Bigs, Noah & Ewan.

All in all, I think every under 16 player played for us and 4 or 5 under 14s filled in over the year. We had 4 lots of father sons playing in our last game against Eudunda!

I would also want to thank the footy boys who helped when we were short Darcy, Hammer, Brooksy, Nash and Axel. Without them we would have been forfeiting more games.

Anyhow let's look forward to next season with new facilities, the new oval and get this proud club back to where we should be at the top.

Cheers Bevo

Fantastic for the Tanunda Cricket Club to receive this recognition, with the lights, nets, junior oval, oval upgrades, clubrooms and changerooms projects all coming together to see Tanunda Rec Park awarded the best community cricket facility in SA at the SACA awards, 11th March 2024.

This award is the recognition of years of hard work, awesome partnerships with the Barossa Council, SA Government and fellow user groups all working together for our memberships and the broader community.

Pictured (L to R): Stuart Swan (President), Ben Clark (Director, Infrastructure & Environmental Services – Barossa Council), Bim Lange (Mayor – Barossa Council), Stuart Ratsch (Vice-president)
